The territory around Landessville, and westward in Washington township, is a scene of much activity at present, and considerable of the eastern capital which is coming into this field is finding employment in that vicinity. There are two well defined efforts to connect up the developments in Washington Center and Franklin townships, and in most cases the advance work has been successful.

The Marion Gas Company is drilling a test well on the E. L. Simons farm, in section 15 Washington, which is considerably in advance of developments with the exception of the well on the W. P. Bradford farm in section 16, which was completed about a month ago and is still making probably 7 barrels per day.

In the northern portion of the township, there is not so much interesting work as has been noted during the summer as the extension to the westward has now come into the gas territory and is not of much profit to the oil man. The Southwestern Petroleum Company has seven wells in section 4 Washington, which are drilling only to a depth of 19 or 25 feet in the sand and at that level are supplying gas in considerable quantities. The lighter fluid is being disposed of to a gas company, and it is the intention to not drill the wells deeper until the spring.

In section 17 the Ohio Oil Company has a rig on the C. A. Smith farm. The first well drilled on this lease was the largest gas well struck for years, but it has now turned to producing oil and makes about 19 barrels daily. The Ohio is also drilling No. 1 on the H. Callentine farm. The Eastern Oil Company is drilling No. 6 on the George Dickens farm. The Eastern Oil Company has what appears to be a splendid well on the J. W. Westfall farm, in section 3. Their No. 5 has just been put to pumping, and should make a first class record. The standing valve was broken and while pulling the tubing the well flowed at a good rate. No. 3 on this farm is just being cleaned out, and it too looks to be a good well. No. 4 is still drilling.

The Poor Rute Oil Company is drilling No. 5 on the E. J. Hunt farm, as an offset to the Eastern No. 4 on this farm has been shot, and will make a small well, there being just a little more water than is necessary.

The Ohio Oil Company was compelled to move the rig on the D. Shaffer and has just started drilling at the new location. Rig is up for No. 2 on the M. Wisner farm. Bayless & Haswell are drilling No. 3 on that portion of the Lewis White property which lies in section 2.

In section 1 Washington, the Ohio Oil Company is drilling No. 1 on the M. E. Bradford farm, and has the rig in for No. 1. Ollie Hawkins. The Southwestern Petroleum Company has the rig in for No. 2, R. Beeman, in section 12, and the Ohio has a rig for No. 11 on the Adam Pulley farm. The Ohio is drilling No. 1 on the Margaret Creighton section 11, and has the rig for No. 4 on the H. M. Creighton. On that farm, the first well was a gas well, but has been pumped for a short while, with little or no oil. The Ohio also has a rig in for No. 1 on the Daniel Bradford, which will offset wells on the H. M. Creighton and Wisner farms.

The Landessville Field. Northwest of Landessville, in section 13 Washington, the Ohio Oil Company shot No. 1 on the A. M. Pulley farm, and it looks to be a pretty fair well. The same company is drilling Nos. 11 and 12 on the Adam Pulley farm. The Southwestern Petroleum Company is drilling No. 4 on the G. T. Westfall, and No. 6 rig is up on the Perry Corey farm. No. 5 on the latter has been completed and is showing for a good well. The Braun Oil Company is drilling No. 3 on the I. F. Tinkle property. Stubler & Siederman's No. 1 on the H. Pulley lease was good for about 40 barrels, and their No. 1, Wm. Boier, though not yet pumping, will probably make a fair well.

In the southwestern portion of town, Stubler, Siederman & Co. have a rig for No. 1 on the Grimm 10-acre piece. The Huntington Light & Fuel Company's No. 1 J. Fields was a big gas well, and the Ohio Oil Company is drilling No. 1, W. R. Ermerick, with rig for No. 2. These wells are located in section 24 of Washington township. In the eastern portion of town, which lies across the township line, the Ohio Oil Company is drilling No. 3 M. A. Tinkle and No. 4, J. A. Miller, and the Hudson Oil Company is drilling No. 2, J. L. Camblin, all in section 19 Van Buren. North of these, in section 18, the Sutton Oil Company is drilling No. 4, R. Pulley; A. W. Neath & Co. are drilling No. 3 on the L. A. Thompson property, and the Ohio is drilling No. 2, L. D. Lee, Clothier, Bell & Co. shot No. 4 on the L. Mathias farm, and it will probably be a very light producer.

The Ohio has a rig in for No. 1 on the E. Summer, and has rigs up for No. 1, Celeb Dooley and No. 1, Clayton Bradford.

The Ohio has a rig in for No. 1, C. F. Boxell, section 22, one for No. 4, R. M. Miller, section 26, and is drilling No. 2, L. M. Henry and No. 2, George B. Love, in section 27. In the lower portion of Washington township, there is some new work. The Southwestern Petroleum Company has a rig in for No. 9 on the P. & M. E. Howard farm, section 35, and in section 36, the Huntington Light & Fuel Company is getting its wells on the Boller and Patterson farms in such shape that their production can be handled. These wells were more than a mile away from production.

Eruptions

Dry, moist, scaly, tender, all forms of eczema or salt rheum, pimples and other cutaneous eruptions proceed from humors, either inherited, or acquired through defective digestion and assimilation.

To treat these eruptions with drying medicines is dangerous. The thing to do is to help the system discharge the humors, and strengthen it against their return.

Hood's Sarsaparilla permanently cured J. G. Hines, Frank, Ill., of eczema, from which he had suffered for some time, and Miss Alvina Taylor, the 22, Algonia, Wis., of pimples on her face and back and chafed skin on her body, by which she had been greatly troubled. There are more testimonials in favor of this great medicine than can be published.

Hood's Sarsaparilla Promises to cure and keeps the promise. Don't put off treatment. Buy a bottle of Hood's today.

but they have been connected up, and other operations will probably be carried out with more alacrity. In action 34, the American Window Glass Company has completed a light well in No. 7, on the Nora Hawkins farm, and is drilling No. 11 on the J. J. Tippey.

Another Deal in Leases. A trio of Pennsylvanians who are just entering this field are reported making extensive purchases of property, one of which was chronicled recently. The interested gentlemen are J. D. Downing, E. W. McArthur and J. D. Roberts, of Meadville, Pa. They recently purchased part of the holdings of the Pacific Oil Company for \$39,000, and have now closed a deal whereby they secure possession of the leases operated by Frank Stebbins, in south Marion and vicinity. The property includes the Lee Hall, Hulscamp, Marks & Blumenthal, M. L. Dadds, Wm. Knight and Ballard Bros. leases a considerable portion of which is town lot stuff, and thus figures as to the acreage are not easily obtainable. There are 9 wells, doing probably 60 barrels at present, and the consideration was \$25,000.

NOTICE TO WATER CONSUMERS.

The delinquent list of water consumers has been made up and ready to certify to the Auditor to be placed upon the duplicate for collection and will be certified, not later than Dec. 1st, 1922.

Those paying before that date can have their names taken off the list; otherwise they will find the amount due at the Treasurer's office with the additional ten per cent penalty added to their December taxes. All delinquent matters in this department of the City must be settled up preparatory to the taking effect of the New Municipal Code. By Order of the Trustees. Weasat-t J. M. HUTCHINSON, Sec.

The Best Remedy for Group.

From the Atchison, Kan., Daily Globe. This is the season when the woman who knows the best remedies for group is in demand in every neighborhood. One of the most terrible things in the world is to be awakened in the middle of the night by a whoop from one of the children. The group remedies are almost as sure to be lost, in case of group, as a revolver is sure to be lost in case of a fire. There used to be an old-fashioned remedy for group, known as hives syrup and told, but some modern mothers say that Chamberlain's Cough Remedy is better, and does not cost so much. It causes the patient to "throw up the poison," quicker and gives relief in a short time. Give this remedy as soon as the group cough appears and it will prevent the attack. It never fails and is pleasant and safe to take. For sale by Wm. M. Melville, old post-office corner.

For Shattered Nerves. A remedy that will soothe, build up the wasted tissues and enrich the blood is indispensable. Light's Celery Nerve Compound has been wonderfully successful in cases of nervousness, as thousands of grateful people will testify. Sold by Wm. M. Melville, old post-office corner.

IN THE GARDEN.

Now is the time to apply fertilizer on each side of the row and down the back of the row. This applies to early and late plantings. If celery is wanted for marketing in the early part of September, it will want all the phosphorus it can possibly get.

Manure will require plenty of attention in transplanting and watering. Lettuce will need close attention too. Seed can yet be sown in the open in this section, although we are getting close to our time limit. Sow a little of forcing kinds in frames or outside and transplant to frames. Such kinds as Belmont Forcing and Glasshouse answer well.

Parasely.—Where an early supply in spring is required seed should be sown now in frames and wintered over. Tomatoes.—Give prompt attention to them now in thinning out growth and tying in. Some of the large lower leaves may be removed to let in light and sun.

Onions.—Where they are ripe and fit for pulling no time should be lost. I notice if left in the ground but a short time after they are ripe and a shower comes they quickly make new root again, which is evidently detrimental to their keeping qualities. When once pulled, keep as dry as possible and thoroughly ripen them if required for late keeping.

Seed of Tripoli varieties, such as Giant Rocca, can be sown in frames now and wintered over if large bulbs are wanted for special purposes next season.

Turnips.—It is now about the last call in many sections for the last sowing of white turnips.

Spinach.—A sowing of the broad leaved kinds may be made now for fall use.—E. P. Meredith, Massachusetts, in American Gardening.

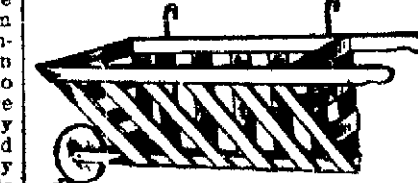

BLANCHING CELERY.

Quick Method of Tying and Earthing Up Used by Market Gardeners. The most common method of all for blanching celery on a small scale is that of banking with soil, and it is by this method that the finest davor can be obtained. Where the plants are set in single rows the soil can often be partially thrown up by means of a plow, or better, by a celery hiller. There are several forms of this machine, but they all work on one principle—that of a diagonally set surface to throw up the soil. Before the plow or banking machine is used a small amount of dirt must be placed around the plants by hand to hold them up in position while the earth is being thrown around them. This may also be accomplished by tying up the plants with paper twine.

Instead of tying each plant by knotting around in a short piece of string fasten the end of the string around the first plant in a row then pass to the second plant without cutting or breaking the string. While the outside leaves of the second plant are brought up together by the left hand carry the string once around the thumb and finger of the right hand and so on from plant to plant until a whole row is held up without breaking the string and by tying it at the ends only.

This work is greatly facilitated by strapping to the right forearm a tin can in which the ball of cord is placed, the inside end of the string being delivered through a hole in the bottom of the can. Another very good method of holding the celery up while the earth is being placed around it is by temporarily setting up boards, which are removed as soon as the soil is in position.

Green Fodder Feed Rack. The rack shown herewith can be filled at the fodder patch and wheeled to the pasture or barnyard. There it can

GREEN FODDER FEED RACK. be hung up against the fence by the hooks at the back. Make the rack of three inch strips of board and cut the wheel from a piece of hardwood board. —American Agriculturist.

Plums in Cold Storage.

Plums differ much in their behavior in cold storage. Robinson and Weaver, very juicy varieties, were kept from three to four weeks. With such varieties decay proceeds very rapidly when once it has begun. Less watery sorts, as Golden Beauty and Moreman, were kept in the Kansas station cooling room, which had an irregular temperature averaging about 50 degrees F., for more than a month. Weiskera, a meaty, prune-like variety, kept for a still longer time.

Notes From the Farm Journal. A large barley acreage in North Dakota is reported.

Already feeders are looking for cattle to finish for next winter's market. This is in anticipation of an abundant corn crop.

The new clip of wool seems to be in brisk demand at a slight advance. A cheerful tone pervades the market. So far as we can learn, the condition of corn is uneven, but is best in the states of greatest production.

In shipping potatoes at this season do not let them lie exposed to the sun very long either in heaps or in boxes or baskets. About half the food consumed by cattle at this season is wasted in fighting the pest of flies and other insects.

Master Specialists!

Those should apply to us who would obtain immediate cure of special maladies without long and tedious experiment with the defective, old time methods of those who can not reasonably lay claim to experience so vast or professional ability so certain and reliable as ours. The secret of our success lies in the fact that we discovered, developed and perfected

Original Methods of Treatment

Which are distinctly our own, and by which we treat a cure, to stay cured, the special maladies without resort experiment.

FAMOUS FOR HIS CURES.

An Open Invitation.

The great specialists invite all people afflicted with any disease to call at their office and be examined free. They make this great offer because their offices are equipped in a manner far superior to any other for making examinations. With their new methods of examining they can honestly advise the patient what the real trouble is and show the best course to pursue to get cured.

What is Your Disease?

DO NOT WAIT IF YOU ARE SUFFERING from any diseases of the Nerves, Nervous Weakness, Lungs, Heart, Stomach, Kidneys, Liver, Skin, Special and Private Diseases.

EVERY TRAIN BRINGS PEOPLE from the country and neighboring towns to be cured by these able specialists.

Write

Call on us for the first examination, if possible, but if you cannot call, sit down in confidence and write a private letter to Dr. Gasaway, telling all about your sickness, as well as you can, just how you feel, and you will receive an answer by return mail.

Ladies.

You need not suffer from female weakness, headache, backache or nervous hysteria. Our special medical treatment will cure you. Call about your case. Consultation free.

Varicocele Cured in Five Days.

Your varicocele handicaps you. Nature charges up every loss to

your account. This you know; you feel it. You look so well that when you remark to friends you feel sick they laugh at you. They don't know that a terrible varicocele is draining away your vital fluid; they don't know the vital fluid is the essence in the blood that gives the feelings we call "health" and "energy" and "ambition." But you know it. Are you the man you were before this varicocele stole upon you? Answer yourself honestly. Don't deceive yourself. Find out about getting cured. We will gladly tell anything you want to know, and when you call on us no one knows what you are treating for. Consultation free. So don't delay; call at once. Battles are won and lost in a day, and waiting don't help YOUR trouble.

Blood Poison.

Blood Poison is an imperious and cruel master. It heeds not the voice of prayer or the cry of agony. The cabin and the palace echo its dismal tread and the peasant and the king fall at its withering touch. Blood poison is transmitted to the third and fourth generations and the sins of the parents are visited upon the child. It may be primary, secondary or tertiary. If you have taken Mercury, Iodide of Potash or other poisonous drugs, and still have aches and pains, Mucous Patches in the Mouth, Sore Throat, Pimples, Copper Colored Spots, Sores, or Ulcers on any part of the body or limbs, Hair or Eyebrows falling out—it is this Blood Poison that Dr. Gasaway cures. We know the most obstinate cases in their most aggravated stages. The blood and system is thoroughly cleansed and freed from every trace of Poisonous Virus without the use of any Poisonous Drugs.

MEN

Whose Manhood is Slipping Away

Men, many of you are now reaping the result of your former folly. You have Nervous Debility, Night Emissions, Exhausting Drains, Pimples, Lame Back, Inflammation of the Bladder and Kidneys, Highly Colored Urine, Prematureness, Impotency, Failing Memory, Loss of ambition or similar symptoms, which rob you of your manhood and absolutely unfit you for study, business, pleasure or marriage. Our treatment will correct all these evils and restore you to what nature intended—a hale, hearty, happy man, with physical, mental and sexual powers complete.

Rupture Cured Without Pain.

We don't care how long you have had your rupture, nor who has failed to cure you. We can cure you without operation by your own painless method. You can go on with your work just the same as before. With our New Treatment you can throw away your truss, forever, in a very short time. We ask all ruptured men and women to consult us and we will explain how we can rid you of a dangerous infirmity without pain or operation. Low fee.

Bladder and Kidney Diseases.

CHRISTMAS PIANOS.

The Whitney & Currier Co. Offer Special Inducements to Buyers of Good Pianos.

Having now in stock the finest and largest stock of thoroughly reliable pianos ever shown in Lima, we shall until January first, make low special prices and easy terms to piano buyers, and orders taken now will, if desired, be held for Xmas delivery. Good pianos only cost a trifle more than cheap unreliable ones if purchased of dealers that buy them right. The high quality of the instruments handled by us is unquestioned, the stability of the house is beyond doubt or question. Our prices and terms will meet with equal favor. We are now offering fine pianos, new, for \$147.00, \$178.00, \$195.00 and \$247.00. Terms, \$10.00 to \$15.00 down and \$5.00 to \$10.00 monthly. There is not much profit at these prices to be sure, but we are laying the foundation for a large volume of business in Lima and buyers who can discern as to the value given for the price asked will quickly appreciate our Christmas offerings.

If you should want a Steinway we have it; or a Knabe here it is. The well known Boardman & Gray, we have them. The sweet toned Ludwig, a beautiful Kimball, a Marshall & Wendell, or any other of the several well known; here you will find them in their various styles and designs.

Buyers who will consult their own individual interests cannot afford to purchase at any other house. We have located in Lima to stay; our business methods will merit your confidence and you will do well to come before this fine holiday stock is depleted by a large number of sales. Store open evenings till 9 o'clock.

CHURCH

Fair Will Close This Evening

In South Lima

Rev. Hagerman Dedicates a Chapel.

Corner Stone of Parochial Residence was Laid by Rev. Rupert.

Edward Owens is Severely Injured—A Number of Business Changes Occur—Personal Notes.

This evening the church fair which has been in progress at St. John's hall the past week will conclude. Saturday night the attendance was large and the patronage liberal. The following contests were decided Saturday evening: Mrs. Edward Daugherty was declared the winner of the handsome cabinet organ. The diamond ring was awarded to Miss Mollie McAuliffe. Mrs. Davis received the large picture of Rev. Brady. Tonight the following prizes will be awarded: the Hibernian flag for which Rev. F. G. Rupert is a candidate against the members of the local lodge of Hibernians, and the bicycle, for which C. M. Duggan and John Keller are competing. Great interest now centers in the flag contest. Rev. Rupert is running under a handicap, but is making strenuous efforts to secure the prize. All the events have been interesting and remunerative.

Installation.
At the services yesterday Rev. W. M. Curry, pastor of the south Main street Presbyterian church, announced that his formal installation services would occur at the church Wednesday evening, December the third. At that time his brother, Rev. J. A. Curry, of Pennsylvania, will be present to deliver the installation sermon. Rev. Dr. Thomson, pastor of the First Presbyterian church, of this city, will deliver the charge to the pastor. The religious exercises upon

GRIT IN THE BEARINGS

How Rheumatism Affects the Human Mechanism.

Grit in the bearings—every engineer knows how important it is to guard against this trouble—to get rid of it, if it comes; so too every one who has to do with machinery of any kind. The human body is a more marvelous piece of mechanism than any made by hand. Nature does a deal to keep the body in good repair—in good running order. But people make mistakes—some through carelessness, some through ignorance. Nature sometimes needs help.

Uric acid causes Rheumatism—deposited in the muscles and joints, it acts like grit in the bearings—hinders their action, makes pain and trouble. Every sufferer knows how much. Athrophores dissolves the uric acid—helps the body to get rid of it—helps to the restoration of health and strength. It does this with certainty—proven by the experience of many years.

Exchange comfort for pain. If your druggist doesn't keep it send \$1 for a bottle to The Athrophores Co., New Haven, Conn. It will show you how to rid your bearings of the grit.

Tramp Injured.
A tramp giving his name as Ed Owens was severely injured in the Erie yards in south Lima yesterday evening about six o'clock. He, with a companion, were gathering coal along the track with which to build a fire. The approach of a passenger train was not observed by the tramp until it was almost upon him. He attempted to escape but his left foot was ground beneath the wheels and terribly mangled. He was also painfully cut and bruised upon other parts of the body. It is quite possible the injured member may have to be amputated. Shortly after the accident the man was removed in an ambulance to the city hospital, where he is being treated.

Thanksgiving Services.

The several south Lima churches will conduct union services at the south Main street Presbyterian church Thanksgiving day. Special music will be rendered by a large choir composed of vocalists from the different churches. Each of the pastors will have a part in the exercises which will be interesting. Rev. W. J. Hagerman, pastor of Grace M. E. church will deliver the sermon for the occasion.

Corner Stone Laid.

A large audience assembled at St. John's church yesterday afternoon to assist at the special services in connection with the laying of the corner stone of the new parochial residence on south Main street. Rev. F. G. Rupert delivered a discourse appropriate to the occasion after which the congregation repaired to the site of the large handsome residence where, in the presence of the large concourse, Rev. Rupert laid, with formal ceremony, the corner stone of the new residence, which it is hoped to have completed by the first of the year.

Dedicated Church.

Rev. W. J. Hagerman, pastor of Grace M. E. church, was at Celina yesterday afternoon, where he dedicated Center chapel, a new Methodist church. Several hundred persons witnessed and participated in the exercises. Mr. Hagerman delivered the dedicatory address and assisted in the raising of a certain amount of money required for the new church. Donations were numerous and willingly made, three hundred dollars in excess of what was required being received. As Mr. Hagerman was engaged in the ministry a number of years at Celina, he was greeted by hosts of friends and neighbors. The magnificent amount of cash subscriptions he obtained for the new church is a telling testimony of the popularity of Mr. Hagerman, in Celina and vicinity.

Union Meeting.

All the young people of south Lima are cordially invited to attend a reception to be given by the Christian Endeavor Union League at Trinity M. E. church, Monday evening, November the twenty-fourth. One of the objects of the meeting is to build up the Christian Endeavor Union League of the city. A pleasant social time is promised.

District Meeting.

Tonight a social gathering of the old fellows of this twenty-eighth representative district will be held. The meeting will be held in Solar lodge room. Delegations from seven lodges will be present, assuring a very large attendance. Dr. M. S. Bowser, of south Main street, district representative will deliver an address upon "The Initiatory Degree." Rev. G. W. Anderson, pastor of Epworth M. E. church, will have for his topic, "The First Degree." After the oratorical features, those present will devote themselves to the enjoyment of a number of social features (including a baggins). A musical organization from

the lodge at Longport, will render a musical program, consisting of vocal and instrumental numbers. The special object of the meeting is to afford the members of the fraternity throughout the district an opportunity to become more intimately acquainted.

Engaged in Business.

Bruce Geoch for a number of years in the employ of Crowley Brothers, Saturday purchased Irvin Ridenour's interest in the firm of Spencer and Ridenour on south Main street. The new partner has already taken charge of his portion of the business. The retiring member has not yet decided what will claim his future attention. Both the incoming and retiring members have the best wishes of many friends for their future success.

Hotel Sold.

Mrs. Joseph Askins, Saturday purchased the Lake Erie hotel building on south Main street, of Col. C. E. Koonz, who will for the present at least continue to conduct the hotel.

Moved to Delphos.

Dr. Wideman, formerly resident on south Main street, has removed with his family to Delphos, where they will reside.

Bought the Route.

Henry Stanyer has purchased the outfit and oil route of Wm. Coffill, and will conduct the business in the future.

German Sermon.

At St. John's church next Sunday morning at ten o'clock, the pastor, Rev. F. G. Rupert, will deliver a German sermon to which the public general is invited.

People in Print.

J. R. Rakestraw, is confined to his home on south Main street by illness. A charming baby girl came yesterday to gladden the home of Mr. and Mrs. Frederick Gillen, of west Elm street.

Pauline, the young daughter of Mr. and Mrs. George Fisher, of south Main street, is ill of lung fever.

Rev. G. H. Sims, pastor of the south Lima church of Christ, preached at Auglaize chapel yesterday afternoon.

Rev. Fawcett, of west Kibby street, in the absence of Rev. Hagerman, preached very acceptably at Grace M. E. church last night.

Rev. Maubly, conducted the morning services at this church.

Miss Nettie Shreve, of south Elizabeth street, is quite ill of typhoid fever. H. S. Threw, of La Rue, was the guest Saturday of J. V. Smiley, of south Pine street.

W. A. Huntington, of Baker City, Ore., is here for a few days stay upon business.

M. Monroe, of south Metcalf street, spent yesterday at Spencer.

Mrs. Sophia Riser, of west Kibby street, will leave Wednesday for the home of her brother, Cass. Moeller, who lives in one country five miles from Columbus Grove, to spend Thanksgiving.

Mr. and Mrs. J. Leffel, of Spencer, spent yesterday with relatives in south Lima.

Stepped Against a Hot Love.

A child of Mrs. Geo. T. Benson, when getting his usual Saturday night bath, stepped back against a hot stove which burned him severely. The child was in great agony and his mother could do nothing to pacify him. Remembering that she had a bottle of Chamberlain's Pain Balm in the house, she thought she would try it. In less than half an hour after applying it the child was quiet and asleep, and in less than two weeks was well. Mrs. Benson is a well known resident of Kellar, Va. Pain Balm is an antiseptic liniment and especially valuable for burns, cuts, bruises and sprains. For sale by Wm. M. Melville, old postoffice corner.

There is no cough medicine so popular as Foley's Honey and Tar. It contains no opiates or poisons and never fails to cure. H. F. Vortkamp, corner Main and North streets.

BOBBY REAKS

Has Accepted the Challenge of Warner's Unknown

Will Return to Lima and Will Attempt to Throw the Unknown Five Times in One Hour.

The challenge that was published by Charles Warner for a match between his unknown 140 pound wrestler and either Bobby Reaks, or the Flying Dutchman, has been accepted by Reaks who will according to the terms of the challenge and its acceptance attempt to throw the unknown five times in one hour.

Reaks left for a home in Michigan on the night that the unknown was thrown by the Flying Dutchman and knew nothing of Mr. Warner's challenge until he received a copy of the Times-Democrat after he arrived at his home. He immediately accepted the challenge and sent \$25 to Lawrence Moore to be posted as his opponent to throw the match. Mr. Warner has also put up \$25 and the match will be pulled off at Moore's corner Sunday night.

THE STAGE.

There is always a lot of pleasure in seeing when the Wilbur Opera Company comes to the city. It is an old favorite with the citizens here, because it always carries out its promise. The announcement is made that the company is stronger numerically, vocally and artistically than it has been for several years. One direction in which there is said to be noticeable improvement is in the principal tenor. The romantic lovers this season are played by Martin Pacheco and opera tenor who won his spurs on the stage of the Metropolitan Opera House New York. Before he would consent to join the Wilbur Co. he insisted upon a salary enormously higher than any Wilbur tenor ever received. Manager Fullwood does not mind that however for he says that Mr. Pacheco is such an attraction that he draws musical people by one thousand in every town visited. The Wilbur's begin their week's engagement at Faurot's tonight.

ONE KILLED

And Several Injured in Wreck on the Southern.

Spartanburg S. C. Nov. 24.—South Carolina train was wrecked, fireman Hob Sefton, was killed and the engineer and several passengers injured at 2:40 o'clock this morning near here. The train had just started on its way to Atlanta and while still in the yard collided with two box cars.

OLD STORY

Of Jealousy the Cause of Another Murder.

Glenn Falls N. Y. Nov. 24.—Joseph Bailey, aged 65 years, is dying at Park hospital as the result of a bullet wound in the head inflicted last night by Edward Harvey, aged 17 years. The shooting occurred as the result of a quarrel provoked by the jealousy of Harvey over Miss Goodness, aged 12. Bailey objected to Harvey taking the girl home from church.

GOOD

Move Made on the Part of

L. C. Townsend

Establishes Six O'clock Closing Rule

Which Gives His Employees Some Time to Spend With Their Families

And Naturally Insure Much Better Service to His Customers—Other Changes Will Also be Made.

WISE

There are two ways of conducting a business. An employer will either work his clerks day and night and have them feeling all the time more dead than alive, or, on the other hand, he will look ahead and reason that a man who has some time to himself and some opportunity to become acquainted with his family and other friends will feel better and naturally do better by his employer than his brother who is worked overtime for the sake of "catching night trade."

Lawrence Townsend, who has since the establishment of grocery and meat market always looked after the best interests of his clerks now intends to inaugurate a plan which to many will appear long sighted and cannot fail to bring him the reward in increased patronage which the promise of such a broad minded idea surely deserves.

Mr. Townsend's plan is none other than to close his place of business at six o'clock every evening except Saturdays and the night preceding legal holidays.

In doing this Mr. Townsend is acting on his own account and has not taken the matter of co-operation with any of his competitors. The old but true saying that "All work and no play makes Jack a dull boy" is applicable in the argument Mr. Townsend uses in regard to a reason for taking this decided step.

It isn't human nature for a man to be at his best when he has no time for recreation and by giving his clerks six evenings in the week to themselves Mr. Townsend will in turn be certain of the most efficient service in the city.

The patrons of the Townsend grocery and meat market will be benefitted through his change and through them the employer will find his trade increasing day by day. The Townsend Market has always had a metropolitan appearance and when the improved eight telephone system is added which change Mr. Townsend hopes to make in the near future it is safe to say that the establishment will be the best in point of stock and service that Northwestern Ohio contains.

PROMINENT

Resident of Van Wert Died Saturday.

Hon. G. L. Marble Passes from the Scenes of Life

After an Illness of Several Months. The Funeral Will Occur Tomorrow in the Catholic Church.

Hon. G. L. Marble, a prominent figure of Northwestern Ohio died at his home in Van Wert Saturday morning after an illness of several months, during which he gradually failed. He was formerly a resident of Lima, where he practiced law in early life and enjoyed the first political prominence as a member of the Republican party. The Van Wert Bulletin contains the following sketch of the deceased's life.

Hon. G. L. Marble is dead. The final lot of all mankind in his spirit has crossed the dark river never to return. Gifted with a talent allotted to few which made him leader of men in his professional and out of it, endowed with a genial spirit which endeared him to all his associations, a liberality boundless in its scope, he was beloved in life—his memory will be cherished in death.

Geoffrey LeMay Marble, son of Col. John M. G. Marble, was born in Del-

WINTER

Weather—Cloudy.

Today saw the beginning of the end of our greatest of all sales—a sale that has been noted for its splendid values and magnificence.

Each department vied with all others in offering the greatest values ever offered by any store in Lima—and the thousands of eager people who took advantage of the opportunities to save money on their fall and winter purchases will testify to the great saving afforded by this sale.

Today we began a week of cleaning up in order that we may have all possible room for the display of our holiday goods, which will be placed on sale the first of next week.

For one week we will combine two sales in one—a cleaning-up sale and our great Anniversary sale—and in thus combining all our efforts to get rid of the present large stocks we will offer goods at prices that

Will Amaze the People.

Understand that two great sales will be combined in one, and every thing will be done to clear up the enormous stock we have in every department so that we may have plenty of room in which to display our big line of holiday goods. Also remember that we must do six day's business in five days this week, as Thanksgiving day will cut out one day's sale. We mean to sell more goods this week, and in order that we may accomplish this we will put forth every effort.

WINTER

Weather—Cloudy.

Today saw the beginning of the end of our greatest of all sales—a sale that has been noted for its splendid values and magnificence.

Each department vied with all others in offering the greatest values ever offered by any store in Lima—and the thousands of eager people who took advantage of the opportunities to save money on their fall and winter purchases will testify to the great saving afforded by this sale.

Today we began a week of cleaning up in order that we may have all possible room for the display of our holiday goods, which will be placed on sale the first of next week.

For one week we will combine two sales in one—a cleaning-up sale and our great Anniversary sale—and in thus combining all our efforts to get rid of the present large stocks we will offer goods at prices that

Will Amaze the People.

Understand that two great sales will be combined in one, and every thing will be done to clear up the enormous stock we have in every department so that we may have plenty of room in which to display our big line of holiday goods. Also remember that we must do six day's business in five days this week, as Thanksgiving day will cut out one day's sale. We mean to sell more goods this week, and in order that we may accomplish this we will put forth every effort.

BROWN GOES TO THE WORKS.

Sentenced to Six Months Imprisonment for Assaulting Miss Stuckey.

Fact That Brown was Drunk When the Assault was Attempted Probably Saves Him from the Penitentiary—Smith Case Tonight.

Joseph H. Brown, the young man who was overtaken and arrested at Spencerville, Saturday morning by chief of police Mills and policeman Van Eman, on suspicion of being the man who assaulted Miss Stucky, of the Lima Telephone exchange, on the previous evening, has been identified as the guilty man, has pleaded to the charge against him in Justice Mowens court and has been sentenced.

When chief Mills arrested Brown at Spencerville, Saturday morning, he was convinced that he had arrested the guilty man. The prisoner tallied perfectly with the description the young ladies had given of the assailant and the demeanor of the prisoner indicated that he was guilty. About 4:30 o'clock Saturday evening Mr. F. E. Duffy, chief clerk in the office of Master mechanic White, of the L. E. & W. was summoned to the police station and he very positively identified the prisoner as the man whom he saw leave the vacant lot where the assault was attempted, and board a south bound street car. He noticed at the time that the man was badly intoxicated and this fact probably saved the young man a term in the Ohio penitentiary. After Mr. Duffy had identified the prisoner the latter was also seen and identified very positively by Miss Stucky and her sister and also conductor Prentiss Downey of the street railway.

The fact that Brown was drunk when the assault was attempted led the authorities and the prosecuting witness to decide to modify the charge against him, for he does not seem to be a vicious character, consequently when he was arraigned before Justice Mowens this morning, the charge of assault and battery was read to him. He entered a plea of guilty and Justice Mowens sentenced him to a fine of \$25 and the costs of prosecution and to a term of six months imprisonment in the Toledo work house.

Too much credit cannot be given chief Mills and officer Van Eman for the prompt and efficient manner in which they took up the trail on this case and without delay or mistake apprehended and arrested the guilty man.

SMITH'S CASE.

Will be Given a Hearing in Mayor's Court This Evening.

The case in mayor's court against Charles Lincoln Smith, the transient optician who was arrested Saturday, charged with having insulted Miss Josie Fenstermaker, on east Market street, will come up for trial before Mayor Rogers at 7 o'clock this evening.

WEDDING BELLS.

On Sunday at 2 o'clock at the home of the officiating minister, W. A. Brundage, Mr. Joseph A. and Miss Mary Kiplinger, both of Lima, were joined in wedlock. They will make their future home in the city. Their many friends extend to them congratulations.

Relieve the Local Shippers.

A Grand Move

To Break Up the Big Freight Blockade

Began at Midnight in the Handling of Nearly 50,000 Cars.

Trains Have Been Swinging Through Lima Over the Pennsylvania Every Few Minutes Today.

The congestion of freight on the various trunk lines has been a matter of the deepest concern to the management and officials in charge of that department have been compelled to resort to measures which establish a precedent in railroading. Freight agent Crooks, of the Pennsylvania referring to the situation, stated that never in the history of the road has the situation been so upsetting to local freight.

Miles of track have been crowded with loaded cars, waiting to be delivered to some far off destination and thousands of dollars worth of perishable freight have rotted because of the inability to insure prompt delivery. For the first time in the history of the Pennsylvania the receiving departments in the big cities had to be closed for several days in order that the blockade might be broken and local freight was refused at all stations.

Lack of cars and motive power was an agent in bringing about the congestion as well as the heavy movement of manufacturing industries, while the close of the coal strike played perhaps the greatest part in throwing into the care of the various roads, the consignment of millions of tons of anthracite.

The situation is somewhat improved over last week, and a concerted movement was made today to break the congestion. To accomplish this, the greatest movement of freight ever known began at Pittsburgh at 12 o'clock last night, when the Pennsylvania, Baltimore & Ohio, Pittsburgh and Lake Erie and tributary lines started 40,000 cars in motion. Trains were made up as rapidly as the regular force and hundreds of extra men could get them together, and were sent out fifteen minutes apart, with five minutes extra on main lines to avoid the danger of curves and bridges.

Had Skull Fractured. Pennsylvania fireman G. M. Cress received a fracture of the skull at Donaldson yesterday, says the Fort Wayne Sentinel, presumably by a blow from the arm of a mill crane as his engine passed that point. The condition of the fireman was not discovered immediately, but as soon as the engineer made the discovery, he called assistance and the wounded man was taken to Hamlet, where Dr. N. B. Espinall attended him. Later he was placed on train No. 20, brought to this city and taken to the hospital. There Dr. C. B. Stemen made an examination and found that the skull was fractured and a portion of the bone driven into the brain. Dr. Stemen removed the splintered portions of the skull and raised the depressed portion and he says the patient may recover.

Emergency Stack. A wreck occurred in the L. E. & W. yards, Friday afternoon, says the Findlay Republican, that sent one engine out looking like a combination of a junk pile and the backyard of a grocery store. One freight train, running west, took the siding near the station, and either because the crew was not aware that they were followed by another train or that they thought they could get out and away before the other train would pull in, they started to pull out of the siding. When the train was partly on the main line, another freight, also going west ran into their caboose. The result was a badly smashed caboose and an engine sans pilot, headlight and mokestack. The deficiency was supplied, in the case of the stack, with an empty barrel, with both ends knocked out and the train went on its way. No one was hurt.

CITY

Will be Taken by the Maccabees

A Large Class

Of Candidates to be Initiated.

One Supreme Tent and Two Great Camp Officers Are Coming.

Session Will Begin in the Buffalo Hall Tomorrow Afternoon and Will End With a Banquet at Night.

Tomorrow afternoon and night, Lima will be captured by the Knights of the Maccabees and a great number of strangers will undertake the dangerous journey through the country that is full of pitfalls and snares to the camp of the faithful followers of Judas Maccabeus the liberator of his people. The local tents—Lima tent No. 142, Banner tent No. 356, and Petroleum tent No. 422—have about one hundred and fifty candidates to initiate into the mysteries of the order and the work will be started early and will continue until late.

The initiatory work will be conducted by Banner tent team of this city and by visiting teams from Wapakoneta, Spencerville and St. Marys. The secret session will be held in the Buffalo hall and will commence at 2:30 o'clock in the afternoon. In the evening, after the initiatory work, the Sir Knights will go to the Tolan hall, the headquarters of Lima tent, where a banquet will be served.

At the banquet music will be furnished by the Arion Trio, the Ragtime Quartette, and by Messrs Peter Laughlin, Alex. Frankle and others. Many visitors are expected from all of the neighboring cities and towns and among the distinguished guests who will be present will be Supreme Finance Keeper Sisier of Port Huron, Mich., Great Record Keeper Ed. L. Young, of Norwalk, O., and Great Commander Parker, of Elvira, Ohio.

Aid a Brother in Celebrating His Birthday.

J. W. Harmon Surprised and Presented With a Handsome Watch Chain Saturday Night.

BUFFALOS—

Saturday evening thirty members of the local herd of the B. B. Buffalos, surprised ex-councilman J. W. Harmon, at his home on north Jackson street, and assisted him in celebrating his sixty-third birthday anniversary. Music was furnished for the event by the Arion Trio and at the conclusion of an excellent supper that was served the members of the order presented Mr. Harmon with a very handsome gold watch chain. He also received a number of other presents, and for the gifts he expressed his heart-felt gratitude. The affair was a very enjoyable one and the delighted guests did not depart until after midnight.
